MARC H. LAMBER

Marc focuses his practice on plaintiffs' catastrophic injury and wrongful death litigation. He formed the [plaintiff personal injury](#) practice at Fennemore and has built it into the strong and innovative practice it is today.

Marc chose personal injury law after spending several years as a defense attorney. Marc has represented thousands of accident victims and their families, resulting in hundreds of successful jury trials, arbitrations, mediations and settlements. He has not only recovered tens of millions of dollars for his clients, he also has proudly forged bonds with them and their families that he expects to endure a lifetime.

Marc is frequently featured on national, regional and local media for comment on legal issues and other current affairs. Marc has been featured on the cover of *AZ Business Magazine* as one of The Top 100 Lawyers in Arizona and highlighted by *Newsweek* as one of the "20 Leaders Plaintiffs' Trial Lawyers."
