I've always believed you can think positive just as well as you can think negative.

James Baldwin

RITA S. BELL

Rita Bell is a paralegal in our business litigation practice group known for her reliability and experience – and for sharing in a good laugh with her teammates. She attended Los Angeles Mission College.

Early in her career, Rita worked for an inspiring County Counsel who encouraged her to go back to school and seek a promotion, which led to the path she is on today as a paralegal. She enjoys being part of a team working toward a successful conclusion for each client.

To unwind, Rita enjoys evening walks through her downtown Fresno neighborhood with her husband. She gives back to our community by volunteering with community groups Fresno Filmworks, a 501(c)(3) organization, Fresno Center for Nonviolence, a 501(c)(3) organization, and Earth Day Fresno.
