LINDA M. POWELL

Linda Powell is a paralegal in our trusts and estates practice group where she handles probate and trust administration and fiduciary accountings. She attended the University of California, Fresno, for her Bachelors of Science degree, and the University of San Diego's Lawyer's Assistant Program for her post-baccalaureate course of study.

After graduating from college as a criminology major, Linda was at the University's Placement Center making her way to the counter when she noticed a brochure for a Paralegal Program in San Diego on the floor. She picked it up, decided it looked interesting, and the rest is history (Linda never did make it up to the counter at the Placement Center!). In her work, Linda enjoys working with families, completing the probate or trust administration for the benefit of their heirs.

Linda is encouraged daily by this verse found in Romans 8:28 of the Bible: "And we know that in all things God works for the good of those who love him, who have been called according to his purpose."

To relax and unwind, Linda attends church, reads the Bible and novels, exercises, and spends time with family and friends.
